INSTRUCTIONS:

Students – Your signature on this form certifies that the boxes were checked off prior to obtaining the instructor's approval. The department will only override the restrictions for the boxes that have been checked off. You will be required to make arrangements with your instructor for any course material (exams, etc.) impacted by this override.

1. Complete the form, and get COF Academic Advisor approval
2. Obtain instructor or department/program signature of approval, if needed
3. Submit your form to the office of the department offering the course

Submitting this form **does NOT register you** for the course. The department will process the override which allows you to register if there are no financial or academic holds on your student account. You must still register for the class!

Instructors – Sign only if you approve all conditions requested. Your signature indicates your willingness to allow this student into your class, lab, and/or recitation.

Direct the student to the appropriate department (listed below) for the processing of this override form.
