| Forest Biology | FES 240* | Available online at OSU |
| Dendrology | FES 241 | Available online at OSU |
| Recreation Resource Management | FES 251 | Available online at OSU |
| Intro to Forestry or Managing Natural Resources for the Future | FOR 111 or NR 201 | Available online at OSU |
| Computing Applications in Forestry | FOR 112 | ENGR 112 |
| College Algebra | MTH 111* | MTH 111 |
| Elementary Functions | MTH 112* | MTH 112 |
| Calculus for Management & Social Science | MTH 241* | MTH 241 |
| Principles of Physics I | PH 201* | PH 201 |
| Soil Science | SOIL 205* | CSS 205 |
| Soil Science Lab and Soils Recitation for Forestry | FOR 206* | CSS 205 and FOR 208 online at OSU |
| Principles of Statistics | ST 201 | MTH 243 |
| English Composition | WR 121* | WR 121 |
| Technical Writing or Science Writing | WR 327* or WR 362* | WR 227 |

The courses above represent the first two years of a four year degree program. Transfer students should expect to complete the remaining course requirements at OSU. In addition to courses that fulfill the Forestry major requirements, students should be completing courses to fulfill [OSU's Baccalaureate Core](#) (general education curriculum). Major requirements that also fulfill Baccalaureate Core requirements are marked with an asterisk ().*

Forestry includes a professional program (the junior and senior years) which requires a special application. Prospective students should work with OSU College of Forestry staff for assistance in navigating that process successfully.
